

Waitrose Community Matters

Please support us when you visit Waitrose in November. We have been chosen as one of the beneficiaries of their Community Matters Fund.

All you need to do is vote for us by placing your green token in our collecting bin at the store. Don't forget to ask for your token every time you shop.

The money raise will continue to support activity events for the local community within our new facility of Cooper's Circle. Volunteers will be attending various courses to expand the variety of events for all ages and support the family activity events. Kathy Kelly has also started to run outdoor activity events for toddlers.
